

# Cause a Scene

## Ghostland Observatory

Well, come on, baby, well, you're driving me crazy, come on  
Well, come on, baby, yeah, you're driving me crazy, come on  
Well, what do you mean that I'm causing a scene? Come on  
Well, what do you mean that I'm causing a scene? Come on  
Yeah, come on, yeah, yeah Well, come on, baby, yeah, you're driving me crazy, come on  
Well, come on, baby, yeah, you're driving me crazy, come on  
Well, what do you mean that I'm causing a scene? Come on  
What do you mean that I'm causing a scene? Come on  
Yeah, come on, yeah, yeah Well, come on, baby, yeah, you're driving me crazy, come on  
Well, come on, baby, yeah, you're driving me crazy, come on  
Well, what do you mean that I'm causing a scene? Come on  
Well, what do you mean that I'm causing a scene?  
Come on, come on, come on, come on  
Yeah, come on, yeah, yeah
