When You Say You Love Me

Freddie

I've been watchin' you from a far
And the way you make your way around the bar
You laugh like you're really entertained
And you smile like its your favorite game
Now you're movin' closer to me
And our eyes are connected emotionally
I'm not lookin' for a one night stand
Or a place for a broken heart to mend
I know everybody here wants to hold you
I know what it's like 'cause I feel the same
When you look in my eyes
There's a part of me that's still afraid
And when you say you love me, do you mean it?
Baby, when you hold me, do you feel it?
I believe the magic in your eyes
I would wait until the end of time
To hear you say you love me like you mean it
Baby when you hold me, make me feel it
All I wanna do is make you mine
I've been hurt way too many times
They say if you wanna make God laugh
Then all you gotta do is tell Him your plans
I know that the timing's not right
Did you know that I would meet you tonight?
It's not that I don't really like the attention
I feel like the only man in the room
Are you really sincere?
Is this just somethin' that you do?
And when you say you love me, do you mean it?
Baby when you hold me, do you feel it?
I believe the magic in your eyes
I would wait until the end of time
Hear you say you love me like you mean it
Baby when you hold me, make me feel it
All I wanna do is make you mine
I've been hurt way too many times
Again and again, and again I would hurt
My friend till the end
You know I've been high I've been low

I got no place left to go
Again and again, and again
When will this search ever end?
And when you say you love me, do you mean it?
Baby, when you hold me, do you feel it?
I believe the magic in your eyes
I would wait until the end of time
To hear you say you love me like you mean it
Baby, when you hold me, make me feel it
All I wanna do is make you mine
I would wait until the end of time
Baby, say you love me
Come on, baby, say you love me, oh, ooh
Baby, say you love me
Come on, baby, say you love me, ooh
