

Kimberley Calling

Dan Sultan

Verse 1

cat sails on the ocean deep
to lumbadina and cape lavique
and i know that i will get back up again
ive been a fool and ive been lost
ive played it cool and ive payed the cost
and i know that i will get back up again
Chorus 1
when you can hear kimberly calling
then you know that its time to get moving
Verse 2

seas are high so we'll take it slow
buccaneer ackapaligo
and i know that i will get back up again
larretta"s grave in all turquoise
from beagle bay up to one arm point
and i know that i will get back up again
Chorus 2
when you can hear kimberly calling
then you know that its time to get moving

ive been away

ive been away

ive been blinded

ive been away
Verse 3

frangipani i know that smell
while sitting at the roebuck hotel
and i know that i would get back up again
ive been a fool and ive been lost
ive played it cool and ive played the cost
and i knew that i was gonna get back up again
Chorus 3
when you can here kimberly calling
then you know that its time to get moving
then you know that its time to get moving
oh then you know that its time... to get moving

ive been away

ive been away

ive been blinded

ive been away
