

# My Worship

## The Walls Group

You can live in me  
I give you every key  
Fill up every empty space you see  
You can live in me  
Rearrange everything  
Remind me God why you created me  
To give you all the glory  
And worship you our Lord  
You are worthy to be praised  
I know that it's not much  
To be honest I messed it up  
What you gave me God I took advantage of  
Now that you are here  
I move myself aside  
Restore this broken home it needs your love  
So, I give you all the glory  
We worship you our Lord  
You are worthy to be praised  
We give you all the glory  
We worship you our Lord  
You are worthy to be praised  
Now whatever's mine is yours  
I'm not selfish anymore  
No longer who I was before  
You came into my life  
At this point it don't mater why  
Cause now I see myself through your eyes  
We give you all the glory  
We worship you our Lord  
You are worthy to be praised  
We give you all the glory  
We give you all the glory  
We give you all the glory  
We worship you our Lord  
You are worthy to be praised  
Oh, you can live in me  
And Please don't ever leave  
Just fill up every empty space you see
