'Cause no one compares to youI've been around a lot of beautiful ladies
fast lives and expensive parties
but home is where the heart is
and if i loose you it would hit the hardest.
I'm not trying to say i'm a fade
but i usually go hard in the paid

now i found that all has changed
I can't take the chance of loosing a good thingBeen around the world the world and back
seen a lot of girls and girls this hot
don't think for a minute beacause I'm not
'Cause no one compares to youBeen around the world the world and back
seen a lot of girls and girls this hot
me and you forever this where I'am at
'Cause no one compares to you
