

# Abrasive

## Parabolic Analysis

I cannot wait or stick around  
I'm giving up, I'm face down  
It's not me, it's not you  
But I'm still in this room  
Hey, you choose it  
Hey, you abused it  
It's not you, wipe the tears aside  
And you cry and scream  
In the middle of the night  
Wrapped in a blanket  
But you told the lies

Hey, you choose it  
Hey, abused it  
Hey, refused it  
Hey, you lose it  
I cry and scream in the middle of the night  
I can't go to sleep  
I shake my head in the middle of the night  
I can't go to sleep  
It's not me, it's not you  
Why can't I sleep
