

Master of Fists (1999 Demo)

High On Fire

Anger flow, warrior call
Focused eyes see through them all
Teacher now was a renown
Jeet Kune Do avenging oneStreamline form flying kicks
Warriors fall from powered hits
Mesmerized, speed and fury
Numchuckas crush skulls with their flurrySnap of the dragon cracks like a whip
You cannot defy the Master of Fists
Bender of will, defender of bliss
Enters the dragon, the Master of FistsSnap of the dragon cracks like a whip
You cannot defy the Master of Fists
