

Wanna Be Happy

Brooke

I met a girl who's honest an when i say i love you, she says promise.
She lives down the street from me, hurr mamas got a teaching degree.
Hold my hand i'm superstitious, i want two pieces of your bubblicious.
Every sit shes on my scene; She's a match an i'm gasoline.

I jus wanna be happy like when i'm with you; your like a dream come true.
I jus wanna hear you tell me that we'll make it through. I know i trusted you.

When i need a beat you know she's clapping. And she likes to hang out when im trackin shit when we on the
dance floor we mackin it.

And when we get down i put my back in it.

Come over here a lil closer i'm dizzy jus like a roller coaster.

She likes to feed the neighbors cats milk. Imma chinese worm here comes the silk.

I jus wanna be happy like when i'm with you; your like a dream come true,
i jus wanna hear you tell me that we'll make it through. I know i trusted youu.
I dont wanna go even one night without her, deep inside i know i should never doubt hurr.

I think i might cry if she would marry her, when she asks me i cant lie, shes my destiny.

It happens when you least expect it, you jus gotta take it slow, so when you know it you know it.

I jus wanna be happy like when i'm with you; your like a dream come true.
I jus wanna hear you tell me that we'll make it through.
I jus wanna be happy like when i'm with you; your like a dream come true.
I jus wanna hear you tell me that we'll make it through. I know i trusted you.
I jus wanna be happy like when i'm with you; your like a dream come true.
I jus wanna hear you tell me that we'll make it through. I know i trusted you...
