

# Make Ya Famous

## Ace Hood

I should make her pay me  
Minus well, cut me a check hoe  
I should make her pay me  
These hoes selling pussy, I be selling dreams  
These hoes want my lovin, I want whats in-between  
These hoes chasing ballaz, I been chasing green  
Dat hoe think I love her shit aint what it seems  
She thinkin she special bitch you should join the team  
I fucked once at the Hilton and you so much a fiend  
This trick must be crazy, there she go actin lazy  
My mind on makin millions, she talkin bout havin a baby  
See Im just tryna kick it and she just wanna lay up  
She thinkin romantic, Im thinkin bout Kayla  
I think I should call her, please come over naked  
Dick might make ya famous  
I should make her pay me  
I should make her pay me  
I should make her pay me  
This dick gon make you famous  
I should make her pay me  
This dick gon make you famous  
I should make her pay me  
I should make her pay me  
I should make her pay me  
You fuckin with a star  
This dick gon make you famous  
She blowin up my phone  
Bitch, I should make you pay me  
Ok I beat the pussy, leave it gushy  
After that she straight asleep  
Then she came a couple times  
This bitch should be payin me  
On the counter, on the floor  
Hit that in my Louie sneaks  
Drippin wet, soakin wet  
She say she want more of me  
(I should make her pay me)  
The power of the pussy yea  
That hoe think she got me? Im already taken

Married to the money, dat hoe steady pushin  
Call me say she cookin, she just want my goodies  
And you wonder why they be fallin  
They cant stop from callin  
Dick might make you famous  
Pay me my deposit  
See Im no normal nigga  
Bitch im worth couple million  
I get this deep, Up in ya  
You switch up your religion  
Know what?  
I should make her pay me  
I should make her pay me  
This dick gon make you famous  
I should make her pay me  
This dick gon make you famous  
I should make her pay me  
I should make her pay me  
I should make her pay me  
You fuckin with a star  
This dick gon make you famous  
She blowin up my phone  
Bitch, I should make you pay me  
I should make her pay me  
I should make her pay me
