Southern Girl

Rahzel

(Hmm)
Yeah show you right
Come on

Sing a lang sang sing a lang song
Sing a lang sang sing a lang song
Sing a lang sang sing a lang song
Twang twang twang twong

I'm from the South
I'm a Southern Girl
Home of the burning church
Don't know much about the world

Home of the pocket stones
Home of the booty songs
Home of the finger wave that lasts
All night long

Home of the On and On
Home of the dominoes
Home of the two piece and the cat fight
Home of the teeth that's gold

Home of the never miss
Home of the platinum hits
I'm a Southern Girl (Southern Girl)

Countryfied
Everything I eat is fried
Gotta Southern drawl
I'm so country y'all
Well that's way down South
Yeah it's way down low
Check my Southern fried style
And my Southern flow
(Southern Girl)

Countryfied
I like my Tofu fried

Got about a hundred friends
That ain't caught on the trends
Don't know about the internet (mm-hmm)
Don't know about the radio (mm-hmm)
Don't know about the television
all I know is bout my flow
My kinfolk sent me out
to make money for the house
Hooked up with my boy Rahzel
I sure hope the record sell
(Southern Girl)

Southern Girl, and I'll rock your world
Fly as a bumble bee (buzz)
Can't nobody fuck with me
I'm a Southern Girl
From way down South
Got a dirty wave
'Cause I got a dirty mouth, dirty South

(Southern Girl)
Twain tiki lang tanga tang tiki tiki
(Southern Girl)
