

Southern Girl

Rahzel

(Hmm)

Yeah show you right

Come on

Sing a lang sang sing a lang song

Sing a lang sang sing a lang song

Sing a lang sang sing a lang song

Twang twang twang twong

I'm from the South

I'm a Southern Girl

Home of the burning church

Don't know much about the world

Home of the pocket stones

Home of the booty songs

Home of the finger wave that lasts

All night long

Home of the On and On

Home of the dominoes

Home of the two piece and the cat fight

Home of the teeth that's gold

Home of the never miss

Home of the platinum hits

I'm a Southern Girl (Southern Girl)

Countryfied

Everything I eat is fried

Gotta Southern drawl

I'm so country y'all

Well that's way down South

Yeah it's way down low

Check my Southern fried style

And my Southern flow

(Southern Girl)

Countryfied

I like my Tofu fried

Got about a hundred friends
That ain't caught on the trends
Don't know about the internet (mm-hmm)
Don't know about the radio (mm-hmm)
Don't know about the television
all I know is bout my flow
My kinfolk sent me out
to make money for the house
Hooked up with my boy Rahzel
I sure hope the record sell
(Southern Girl)

Southern Girl, and I'll rock your world
Fly as a bumble bee (buzz)
Can't nobody fuck with me
I'm a Southern Girl
From way down South
Got a dirty wave
'Cause I got a dirty mouth, dirty South

(Southern Girl)
Twain tiki lang tanga tang tiki tiki
