

# Baa Baa Black Sheep

Frank McConnell

Baa, baa, black sheep,  
Have you any wool?  
    Yes sir, yes sir,  
    Three bags full.  
    One for the master,  
    One for the dame,  
    And one for the little boy  
    Who lives down the lane.  
Baa, baa, black sheep,  
Have you any wool?  
    Yes sir, yes sir,  
    Three bags full.
