

Anchor Your Love

No Angels

It was the first time we met,
I never forget, the way you looked at me
I felt my heart skip a beat
I never thought that I would ever find this
Until the moment that I felt your gentle kiss.....

Refrain 1:

The way you love me baby, no man has love me before
I never felt so good and now I'm wanting you so much more
I wanna stay by your side, and if you treat me right
I never be untrue and that is why I'm asking you

Refrain 2:

How can I anchor your love
Tell me how can we reach the stars above
It's only you that I'm thinking of
And all the love you bring
Each and every night I'm dreaming
How can I anchor your love...your love...
The precious love that we share,
I promise to care
Baby you look so fine
And I'm so glad that you're mine

I never thought that I would
Fall in love like this
The love you offered me I just could not resist

Refrain 1:

The way you love me baby
No man has loved me before
I never felt so good and now I'm wanting you so much more
Boy when I'm dreaming of love
It's you I'm thinking of
There ain't no other one
Who makes me wanna sing this song

2 x refrain 2

How can I anchor your love...your love...
All the loving you bring
I gave you everything
All the things that you do
I wanna be with you

Everything I gave you everything
And all the love you bring
It's such a precious thing (4 times)
