Horny

Mark Morrison

Ow, oh oh oh oh oh
Ooh whoa, come on
Listen girlDrop your clothes on da floor
And close da door, ya know da score, yeah
Don't be shy, fantasize
(All night)
And just enjoy, my nasty rideGet horny, get horny
I said, "You got me horny"
Get horny, get horny
All night, yeahGet horny, get horny
I said, "You got me horny"
Get horny, get horny
Oh oh oh oh oh, listenKnockin' boots, all night long
Said a bump n' grind, 'til the break of dawn, oh
Show ya bod, I don't waste no time, no
'Cause she knows, I goes for mineGet horny, get horny
I said, "You got me horny"
Get horny, get horny
All nightGet horny, get horny
I said, "You got me horny"
(Yeah, yeah)
Get horny, get horny
Oh oh oh oh oh, swang onYa want a freak, a freak like me
Tah get low down dirty like a freak can be?
I see how ya play it, you sure as how you say it?
I like that in a man, so why should we delay it?Come get a move on, baby, getcha groove on
I feel impatient, don't keep me waitin' too long
So if ya with it and ya know ya want me
I letcha win 'cause I be so hornyRoses are red
And violets are blue
Get on the floor
I wanna freak you, huhRoses are red
And violets are blue
Get on the floor
Oh oh yeahGet horny, get horny
(Drop your clothes on da floor)
Get horny, get horny, wooh
(An close da door, ya know the score)Get horny, get horny
(Show ya bod, I don't waste no time, no)

Get horny, get horny
('Cause she knows, I goes for mine)
