My Affliction

Coldseed

I know, I know
If you take me away from the cold
Like gold, you're sold
They are selling your mind don't you knowGive it away as you pray
Take it away if you may [x2]I know, I know
If you take me away from the cold
Like gold, you're sold
They are selling your mind don't you knowAnd then I hit the ground
It slowly kills the sound
Like a choking ricochet
The fires are burning
Reflections, directions
Take the moments away
Give it away as you pray
Take it away if you may [x2]I know, I know
If you take me away from the cold
Like gold, you're sold
They are selling your mind don't you knowAnd then I hit the ground
It slowly kills the sound
Like a choking ricochet
The fires are burningIt's deeper than you will ever know
It's just as close to the bone
From all the people that will never show
There's a darkened cloud [x2]
Hanging over you
Constant lacking
Of a restless belief
Constantly clashing
You'll never cease the dayNo function, cause it's so wrong
The facts you constantly repeat
It's all fiction, my affliction
All you'll do is just deceiveGive it away as you pray
Take it away if you may [x2]I know, I know
If you take me away from the cold
Like gold, you're sold
They are selling your mind don't you know [x2]Give it away as you pray
Take it away if you may
