

# Hold Your Fire

Deetrich

I'm like a loaded gun I got you in my sight  
And you're the only one I want to shoot tonight  
    Ready an' able the trigger to fire  
    Locked on target for my desire  
Got you covered and there's nothin' that you can doBut say  
    Hold your fire  
Hold your fireI'm speedin' like a bullet never miss my mark  
    With infrared eyes that can see in the dark  
    Actions semi automatic satisfaction the instant I hit  
I got you covered and there's nothin' that you can doBut say  
    Hold your fire  
    Hold your fireHold your fire  
    Hold your fireHold your fire  
    Don't make me fire  
    Hold your fire  
    Only desire  
    Hold your fire  
    Your desireHold your fire
