

# That Was the Worst Christmas Ever!

[Sufjan Stevens](#)

Going outside, shoveling snow in the driveway, driveway  
Taking our shoes, riding a sled down the hillside, hillside  
Can you say what you want? Can you say what you want to be?  
Can you be what you want? Can you be what you want? Our father yells, throwing the gifts in the wood stove,  
wood stove  
My sister runs away, taking her books to the schoolyard, schoolyard  
In time the snow will rise, in time the snow will rise  
In time the Lord will rise, in time the Lord will rise Silent night, holy night  
Silent night, nothing feels right
