

# Downtown (SMD Remix)

## Peaches

'Cause I wanna take you downtown  
Show you my thing, show you my thing  
'Cause I wanna take you downtown  
Show you my thing, show you my thing  
Go down, go down, go down, go downtown  
Go down, go down, go down, go down  
Your face never saw the sites, the bright lights  
The walls that always invite  
Get it right, no fight  
You'll be there up all night  
I'll give you a bus ride, a park slide  
A high rise full of surprises  
A smooth path, follow track  
All the way to my flat  
Come with me, come with me  
Come with me, come with me there  
'Cause I wanna take you downtown  
Show you my thing, show you my thing  
'Cause I wanna take you downtown  
Show you my thing, show you my thing  
'Cause I wanna take you downtown  
Went to your area and I thought I would bury ya  
Touched a monolith and it caused a hysteria  
You keep on pinin' for me to go dinin'  
I had me a meal and that keep me belly from whinin'  
Come with me, come with me  
Come with me, come with me there  
'Cause I wanna take you downtown  
Show you my thing, show you my thing  
'Cause I wanna take you downtown  
Show you my thing, show you my thing  
'Cause I wanna take you downtown  
Go down, go down, go down, go downtown  
Caves for bravin', go down  
Flags for wavin', go down  
Clubs for ravin', go down  
Roads for pavin', downtown  
Rivers for sailin', go down  
Stores unveilin', go down  
Walls for scalin', go down  
Temples for wailin'  
'Cause I wanna take you downtown  
Show you my thing, show you my thing  
'Cause I wanna take you downtown  
Show you my thing, show you my thing  
'Cause I wanna take you downtown  
Show you my thing, show you my thing

'Cause I wanna take you downtown
