

# Headed For Destruction

Jackyl

Hello everybody, welcome to the show  
We're headed for destruction, don't you want to go It's time to romp and stomp  
It's time to jam  
It's time for you to kick some dirt up off the ground  
Are you out, are you in, if you're in are you for sure  
Cause if you're in you're in, and if you're out you're out  
And get your ass on out the door Sister won't you help me, Mother Mary may I  
And then we'll do it again [Chorus]  
Headed for destruction  
Don't you want to come along say yea  
Yea  
Come on say hell yea  
Hell yea  
Headed for destruction  
Don't you want to get it on say yea  
Yea  
Say hell yea  
Hell yea Round number two and we're back for more  
I'm here to tell you baby just what we got in store  
It's down to groove when you're diggin' that sound  
If you're hot you're hot, if you're not you're not  
And you're not gonna hang around Sister won't you help me, Mother Mary may I  
And then we'll do it again [Chorus] Hello everybody, welcome to the show  
We're headed for destruction, don't you want to go  
Come on everybody, don't you want to know  
Heading for destruction now, don't you want to go [Chorus]
