So Emotional

One Chance

Oh la la
Bang la detch
Hello
Hey hold on what you talkin about man
Man come on none of thats real right there
You know these girls be out here lyin man
Hello?
Hello?
Damn
I'm rushing home..
she said she's packing the things and she's leaving the keys to the front door..
should I have known? that it would happen once again?
was there something I could've done to make her stay?
and watch her turn around and find the freedom to walk out another day..
I'm sick of this love!
i'm caught up in my fears and it's tearing me up..
I'm so emotional
ever since the situation
my mind is tellin' me I'm no good.
ever since you've been gone
life just ain't the same,
there's no one else to blame but love
I'm so emotional
I'm crying,
even though the tears have never fallen from my eyes
I'm so emotional
I'm so emotional
the week is gone
still looking at these 4 walls
thinkin if I should pick up the phone
but what I'm gonna say to you?
my bed has never been so cold
and baby it hurts
I said it hurts to hear you say
you ain't needing me like I've been needing you to feel this way
and now I'll never have a chance to feel again
I'm so emotional
ever since the situation
my mind is tellin' me I'm no good

ever since you've been gone
and life just ain't the same,

the only one to blame is love
I'm so emotional
I'm crying,
even though the tears have never fallen from my eyes
I'm so emotional
I'm so emotional
I'm hurting!
Tryin' to hide the pain inside but it's tearing me up
- i'm falling
I'm losing it ever since she said goodbye
Why she giving me up? I'm so emotional
I'm hurting!
Tryin' to hide the pain inside though it's tearing me up
- i'm falling
I'm losing it ever since she said goodbye
Why she giving me up?
I know I've waited too long to fix my mistakes
I know I treated her wrong
but there's gotta be easier way to heal my pain
she left me feeling....
oh, oh, oh
I'm so emotional
ever since the situation my mind is tellin' me I'm no good.
ever since you've been gone
life just ain't the same,
there's no one else to blame but love
I'm so emotional
I'm crying,
even though the tears have never fallen from my eyes
I'm so emotional
I'm so emotional
if anybody's out there
knows what i'm feelin'
put cha hands in the air
let me hear ya say
ohhh, ohhh, ohhh
if anybody's out there
knows what i'm feelin'
put cha hands in the air
and say
ohhh, ohhh, ohhh
