

# Grow Old With Me

Mary Chapin Carpenter

Grow old a long with me  
The best is yet to be  
When our time has come  
We will be as one  
God Bless our Love  
God Bless our Love

Grow old along with me  
Two branches of one tree  
When the day is done  
Face the setting sun  
God Bless our Love  
God Bless our Love

Spending our lives together  
Man and wife together  
World without end  
World without end

Grow old along with me  
Whatever fate decrees  
We will see it through  
For our love is true  
God Bless our Love  
God Bless our Love
