Careless Love

Skip James

Oh love, ooh love
Oh, careless love
Yes, oh love, oh love
Oh, careless love
Oh love oh, oh love
Oh love, oh, careless
How can't you see
What careless love, have done?And it have caused me to weep
And to
It done caused me to weep
And to moan
It done caused me to weep
An it caused me to moan
You know that love done caused
Me to leave my happy homeOh love'll lie
Oh love, just
Oh love, oh
Oh, love'll die
Ooh, love
Oh love, oh careless
Now you can see me
What a careless love haveMy mother, she told me
When I was a child
My mother, told me
When I was a child
My mother, she told me
She told me
When I was a child
'These old, battleaxe women
Son, go an' run you wild'Then I said, 'That's the reason'
Oh careless love'
Oh, loveOh love
Oh, careless love
Oh, love'll lie
Oh love, oh love
Oh careless
Yeah you, can't you see
What it have done?Yes, my mama
She used to kneel an pray

Oh, my mama
She used to kneel an she'd pray
An I believe I heard her say
'Oh Lord, will you see my child, today
And you see what this careless love
Done causin'?And you can just see, now
What a careless love have done
Now, you can just see
What careless love have doneAn you now, you can see
You can
You can just see
What careless love have done
An you know it done
'Caused me to do a lot of things wrongAn that caused me to
Leave my happy home
