Numbered Days

Torches To Rome

The time approaches, fall
This is the voice of the voiceless
We have learned by making choices
After persecution and delusion
We have severed a solution
To build our foundation
On natural elements to serve life
We will rise this Babylon
Fall
Chanting inspiration for the righteous
Dislocation from the social order
Kingdoms will rise to power
But kingdoms fall to dust
Fall, fall
Chanting inspiration for the righteous
Dislocation from the social order
Kingdoms will rise to power
But kingdoms fall to dust

Fall, fall
The ashes of the dead will be a sign
The time approaches
Who will hear your cries?
Fall, Babylon, the time approaches
Arms raised, eyes gaze
Tongues of fire whisper
This life will soon slip away
Fall, Babylon, your days are numbered
The time, the time approaches
Arms raised, eyes gaze
Tongues of fire whisper
This life will soon slip away
Fall, Babylon, you will fall
Your days are numbered
The time approaches
Who will hear your cries as you fall?
Fall, fall, fall
