

Numbered Days

Torches To Rome

The time approaches, fall
This is the voice of the voiceless
We have learned by making choices
After persecution and delusion
We have severed a solution
To build our foundation
On natural elements to serve life
We will rise this Babylon

Fall

Chanting inspiration for the righteous
Dislocation from the social order
Kingdoms will rise to power
But kingdoms fall to dust

Fall, fall

Chanting inspiration for the righteous
Dislocation from the social order
Kingdoms will rise to power
But kingdoms fall to dust

Fall, fall

The ashes of the dead will be a sign

The time approaches

Who will hear your cries?

Fall, Babylon, the time approaches

Arms raised, eyes gaze

Tongues of fire whisper

This life will soon slip away

Fall, Babylon, your days are numbered

The time, the time approaches

Arms raised, eyes gaze

Tongues of fire whisper

This life will soon slip away

Fall, Babylon, you will fall

Your days are numbered

The time approaches

Who will hear your cries as you fall?

Fall, fall, fall
