

# Buddy

## The Orwells

Forgive when not forgotten  
This could be my last day  
And in case I don't see ya  
I'm comin' back in May  
Movin' on, did my time  
Feelin' fine, feelin' fine Keep talking, walking pretty  
Remember what I say  
I'm gettin' hard in the van  
On our way to the bay  
I got a pint in my hand and words to make you stay  
A pocket full of rubber and my hand on your face  
Movin' on, did my time  
Feelin' fine, feelin' fine  
Goodbye Buddy  
Goodbye Buddy
