Once

Pearl Jam

I admit it
What's to say, what
I'll relive it
Without pain, mmmmBackstreet lover on the side of the road
I got a bomb in my temple that is gonna explode
I got sixteen gauge buried under my clothes, I playOnce upon a time I could control myself
Once upon a time I could lose myself, yeahOh, try and mimic
What's insane
I am in it
Where do I stand?
Stand, standIndian summer and I hate the heat
I got a backstreet lover on the passenger seat
I got my hand in my pocket, so determined, discreet, I pray
Once upon a time I could lose myself
Once upon a time I could control myself, yeah yeah yeahOnce upon a time I could control myself
Once upon a time I could lose myself, yeah yeah yeah
Once, upon a time I could love myself
Once upon a time I could love youOnce, once
Once, once
Once, once
Yeah
