When Day Turns Into Night

Busted

Nobody's there when you get home
Your renting movies on your own
My photo's on your bedroom wall
You sit there waiting for my call[Chorus:]
And I know
I leave you on your own
And I need you to be strong
When I'm walking away
And I
I hate to say goodbye
It gets harder every time
What I feel
You feel inside
When the day turns into nightAnother tired afternoon
Another destined hotel room
I hate the fact that your not here
But now I'm counting down the days till I get there[Chorus x2]
And I know
I leave you on your own
And I need you to be strong
When I'm walking away
And I
I hate to say goodbye
It gets harder every time
What I feel
You feel inside
When the day turns into night
