Sierra Nevada Song

Dave Mulligan

your shade of green your mountain stream
you know just where I want to be
the source of all that's pure and good
i'd drink forever if i could
i'm over making up my mind
i'll take the same thing every time
bless my lips when that bottle tips
i wish I had a sierra nevada
before i knew you i didn't know
my love for you would ever grow
now i found you i can feel
my favorite flavor when you come
i'm over making up my mind
i'll take the same thing every time
bless my lips when that bottle tips
i wish I had a sierra nevada
ohhhh wah oh oh don't you ever run dry
ohhhh wah oh oh don't you ever run dry
i'm over making up my mind
i'll take the same thing every time
bless my lips when that bottle tips
i wish I had a sierra nevada
i wish I had a sierra nevada
