

I Don't Wanna Be

LMFAO

When I walk in the club
The people show me love
They say what's up
I say what's up
We say what's up, what's up I get looks from the ladies,
Gaps from the dudes
I'm dressed like it's the 80s
No lenses checkered shoes I got a drink in my hand
You know my favorite one
It's Red Bull and vodka
And n****, I'm faded as f*** And then I get those call
From my favorite hizzo
She screaming "Where the f*** you at?"
Baby girl I'm at the disco I don't wanna be
What you want me to be
I don't wanna do
What you want me to do
Unless it's you baby
'Cause that's all I want
So come back stop messin' with my head She was my summer love
Then it got serious
She moved back to her momma's
And got delirious
She went back with her ex
Kept me a secret
Then gets mad at me
When I go to the club and freak it I don't know baby girl
What you talkin' 'bout
I'm dancing with her bud
You got his dick in your mouth I ain't no side dish
I'm the main course
I ain't your side b****
Better decide b****
Before I find another
I'm a say this one more time
Before good-bye my lover I don't wanna be
What you want me to be
And I don't wanna do
What you want me to do

Unless it's you baby
'Cause that's all I want
So come back stop messing with my head I don't wanna be
What you want me to be
And I don't wanna do
What you want me to do
Unless it's you baby
'Cause that's all I want
So come back stop messing with my head Eh, uh oh, put your hands up, put your hands up
Put your hands up, put your hands up, Sky Blu I got this girl
She be my baby
She is my world
And drives me crazy This ain't how it's supposed to be
I feel like you're trying to take control of me
I'm a man, but I can't glance at these
I can't grow my trees, I can't smoke my weed
Hey, that's how I roll
To the show then off to the club I go
You act like ? when I ? my hoe
Girl, I'm trying to superman the ho I do like I do baby, that's how I do, baby
Me and my n***** RedFoo, baby
She said, "you crazy" 'Cause I don't wanna be
What you want me to be
I don't wanna do
What you want me to do
Unless it's you baby
'Cause that's all want
So come back stop messing with my head
