One In Every Crowd

Montgomery Gentry

Go to tea
Shuffle board
Pinball,
He's got the scoreBut everyone around here tries to beat
He's a six pack up, when he walks in
Tells the band, "crank it up to ten"
Then he's up dancing on his seatWell he's a big mouth
Yelling hey play some Freebird
Says gives me three steps
And nobody gets hurt
Then he takes off his shirt[Chorus]
There's one in every crowd
Brings the party in us out
Good time Charlie with a Harley
Whiskey bent and hell bound
He's got the next round
But he always drinks for free
There's one in every crowd
And it is usually he
Hey y'all
Hey y'all
Hey y'all
There's one in every crowdGot a flip top box of Marlboro's
He'll bum a light and steal your girl
And then laugh at you at for getting all upset
Well everybody here knows his name
Makes everybody else look sane
When he is out as far as you can get
In his mind he's a rock star
Cranking out that air guitar
Until the bartender says, "move get off my bar"There's one in every crowd
Brings the party in us out
Good time Charlie with a Harley
Whiskey bent and hell bound
He's got the next round
But he always drinks for free
There's one in every crowd
And it is usually he
Hey y'all

Hey y'all

Hey y'all

There's one in every crowdHe's a hard drinking man's man

And women love him when they can

He's a bartenders best friend

Ain't a party 'til he walks inThere's one in every crowd

That brings the party in us out

Good time Charlie with a Harley

Whiskey bent and hell bound

He's got the next round

But he always drinks for free

There's one in every crowd

It is usually he

Hey y'all

Hey y'all

Hey y'all

There's one in every crowdAnd it is usually he

Hey y'all

Hey y'all

Hey y'all

There's one in every crowdThat's right
