

# Promiscuous

## Eyeopener

Am I throwing you off?  
Nope  
Didn't think so  
How you doin? young lady  
That feelin? that you givin? really drivin' me crazy  
You don't have ta play about the joke  
I was at a loss of words first time that we spoke  
If you looking for a girl that'll treat you right  
If you lookin? for her in the day time with the light  
You might be the type if I play my cards right  
I'll find out by the end of the night  
You expect me to just let you hit it  
But will you still respect me if you get it  
All I can do is try, gimme one chance  
What's the problem I don't see no ring on your hand  
I be the first to admit it  
I'm curious about you, you seem so innocent  
You wanna get in my world, get lost in it  
Boy I'm tired of running, let's walk for a minute  
Promiscuous girl, wherever you are  
I'm all alone and it's you that I want  
Promiscuous boy, you already know  
That I'm all yours, what you waiting for?  
Promiscuous girl, you're teasing me  
You know what I want and I got what you need  
Promiscuous boy, let's get to the point  
'Cause we're on a roll, are you ready?  
Roses are red, some diamonds are blue  
Chivalry is dead but you're still kinda cute  
Hey, I can't keep my mind off you  
Where you at, do you mind if I come through  
I'm out of this world come with me to my planet  
Get you on my level do you think that you can handle it?  
They call me Thomas, last name Crown  
Recognize game I'm a lay mine's down  
I'm a big girl I can handle myself  
But if I get lonely I'ma need your help  
Pay attention to me I don't talk for my health

I want you on my team, so does everybody else  
Baby, we can keep it on the low  
Let your guard down ain't nobody gotta know  
If you with it girl I know a place we can go  
What kind of girl do you take me for?  
Promiscuous girl, wherever you are  
I'm all alone and it's you that I want  
Promiscuous boy, you already know  
That I'm all yours, what you waiting for?  
Promiscuous girl, you're teasing me  
You know what I want and I got what you need  
Promiscuous boy, let's get to the point  
'Cause we're on a roll, are you ready?  
Don't be mad, don't get mean  
Don't get mad, don't be mean  
Hey, Don't be mad, don't get mean  
Don't get mad, don't be mean  
Wait, I don't mean no harm  
I can see you with my T-shirt on  
I can see you with nothing on  
Feeling on me before you bring that on  
Bring that on, you know what I mean  
Girl, I'm a freak you shouldn't say those things  
I'm only trying to get inside your brain  
To see if you can work me the way you say  
It's okay, it's alright  
I got something that you gon' like  
Hey, is that the truth or are you talking trash  
Is your game M.V.P. like Steve Nash  
Promiscuous girl, wherever you are  
I'm all alone and it's you that I want  
Promiscuous boy, I'm calling your name  
But you're driving me crazy the way you're making me wait  
Promiscuous girl, you're teasing me  
You know what I want and I got what you need  
Promiscuous boy, we're one in the same  
So we don't gotta play games no more
