

You Can Still Change Your Mind

Tom Petty

It's gonna be another hard night
You want to take it all alone
You wanna face up to the trouble
You want to face up to your soul
And baby you can have it anyway you want it
You just get a little lost from time to time
Sometimes it gets a little crazy somewhere down inside But you can still change your mind
You can change your feelings
You can still change your mind Everybody wants all the world can give 'em
Everybody wants to get all they can get
Everybody's waiting on somethin' that hasn't come yet
And you can hide it for a little while honey
You can try and just lose it for awhile
Then it's gonna do somethin' to ya somewhere down inside But you can still change your mind
You can change your feelings
You can still change your mind Oh and it gets harder by the minute girl
Oh it gets harder every day
Listen to me darlin', oh you don't have to wait It's alright
You can still change your mind
You can still change your feelings
Just hold tight, everything's gonna be alright
If you can change your mind
You can change your feeling
