

# Foxy's Folk Faced

## Ocean Colour Scene

I think everybody's after me  
They want to know just what I feel  
Pushing wires under my nose  
Everybody's standing on my toes  
Telling the world what I should know You said you'd seen life from near the floor  
You opened every closing door Thank you for always being there  
All the nights in which we shared  
And we know we're always there If it ever gets you down  
You know I'll always be around  
Coz too much just ain't enough
