# You Know

## Caught In the Act

I love you baby
just look me in the eyes and see
I've got to let you know
I think you're my destiny
in times of trouble
when the world is shakin' under your feet
you can always count on me baby
I'll turn your bitter to sweet
I saw the tears in your eyes
tell me the reason you cried
I need you here so come running to me
'cause you know
that I'll always be there for you
when you want me to share
your hopes and dreams
and the way that you feel
and you know I will always be there
move closer to me
I'll put my arms around you girl
I'm gonna care for you
protect you in this mixed up world
I'm up in heaven
girl when I make love to you
we will be together forever
I'll turn your grey skies blue
I'm gonna give you so much
my love's in every touch
I'll be whatever you want me to be
and if you want me to
I'm gonna carry you
just take my hand
and I'll show you the way
