In Brokenness You Shine

Steve Green

When life becomes a shattered dream
That's slipping through my trembling hands
I need to know that You are near
To know You see each falling tear
When there is no one else who understandsWhen I can't find the words to speak
You hear the pain in each heart beat
Before I even call to You
In my deepest hour of need
That's when You come and pour Your mercy on meYour beauty shines
Your love surrounds
Where cries of brokenness
Are found bring hope aliveHelp me believe
And trust You one more time
In brokenness You shine
In brokenness You shineLet comfort be a living thing
A river flowing from my grief
Where thirsty souls can drink their fill
And find in You their heart's release
And through my sorrow show
Your freedom and hopeHow could I know when others said
A word or two then walked away
That You, the Man of Sorrows
Would come near to stay
You'll always stayI want to see
Your beauty one more time
In brokenness You shine
In brokenness You shine
