

# Winter Bones

## Stars

All I've known  
I that there is an end  
Then you can begin again  
Day, everyday  
I had a dream  
That the sea was helpless  
The crowd was loud  
I went to leave Can I come to your house?  
Caught in the ropes and the wires  
The sun settles hard in the south  
Winter lives in my bones When you awake you're alone You say "Is this a war?"  
Hardly, and then you hit a wall  
Honestly, you want to know but you can't  
I believe, I want to believe, in anything Can I come to your house?  
I'm caught in the ropes and the wires  
The sun settles hard in the south  
Winter lives in my bones It's all I've ever known.
