

Lose You Tonight (Thulsa Doom Extended Version)

Him

Don't run away
I can't live without you
Please stay
And I'll learn to love you rightI was waiting for you
Waiting for all my life
I've been crying for you
Dying for you all this time
I was waiting for you
Waiting for all my life
And I'm not going to
Lose you tonightDon't run away
I never wanted to hurt you
Please stay
And I learn to treat you rightI was waiting for you
Waiting for all my life
And I've been crying for you
Dying for you all this time
I was waiting for you
Waiting for all my life
And I'm not going to
Lose you tonightI was waiting for you
Waiting for all my life
And I've been crying for you
Dying for you all this time
I was waiting for you
Waiting for all my life
And I ain't gonna
Lose you tonightI was waiting for you
Waiting for all my life
And I've been crying for you
Dying for you all this timeI was waiting for you
Waiting for all my life
And I ain't gonna
Lose you tonightI was waiting for you
Waiting for all my life
And I've been crying for you
Dying for you all this timeI was waiting for you
Waiting for all my life
And I've been crying for you

Dying for you all this timeI was waiting for you
Waiting for all my life
