I've Been Good

Cassadee Pope

I know it's bound to happen
Grocery store, coffee shop
I'll catch your eye when you're in line
We'll stumble through small talk
And I'll be happy for ya
When you say you're doin' fine
When you ask I'll tell you I've been good
And it won't be a lieI've been good at drinkin' whiskey
Hell I practice all the time
I've been good at stayin' busy
Stayin' up all night, yeah
Lord knows I've been good at doin' everything
And anything to keep from gettin' over you
Like I know I should
I've been good at lookin' people in the eye
And sayin' I've been good
The truth is I've been hurtin'
But I won't ever let you know
I've just been goin' through the motions
And never let it show
But these days I have to be careful
And not let it go too far
'Cause when I say that I've been good
That's just how that sentence starts'Cause I've been good at drinkin' whiskey
Hell I practice all the time
I've been good at stayin' busy
Stayin' up all night, yeah
Lord knows I've been good at doin' everything
And anything to keep from gettin' over you
Like I know I should
I've been good at lookin' people in the eye
And sayin' I've been good
I've been good at drinkin' whiskey
Hell I practice all the time
I've been good at stayin' busy
Stayin' up all night, yeah
Lord knows I've been good at doin' everything
And anything to keep from gettin' over you
Like I know I should

I've been good at lookin' people in the eye
And sayin' I've been good
I've been good
