

Love's Lookin' Good On You

Lady Antebellum

Oh baby, baby something's just a little bit different
In your eyes tonight,
Why they look twice as bright.
Oh baby, baby something's changed,
That I can't quite put my finger on,
Well I've been racking my brain,
Wait just a minute,
Well hold on now,
Well I'll get it. Love love love is looking good,
Good good on you,
Can you feel it
Oh everybody sees it.
How your sweet smile has a way of,
Lighting up the room,
Yeah you shine like diamonds,
In everything you do.
Oh love love love is looking good,
Good good on you. Oh baby, baby,
Isn't it funny,
How we don't need any money,
Just a little love to look like a million bucks Oh baby, baby,
Kinda makes you think that the stars were in sync on the night we met.
There'll probably be a red carpet everywhere you go,
Throw it on out hey don't you know. Love love love is looking good,
Good good on you,
Can you feel it
Oh everybody sees it.
How your sweet smile has a way of,
Lighting up the room,
Yeah you shine like diamonds,
In everything you do.
Oh love love love is looking good,
Good good on you. I knew right away from the very first kiss,
That it just doesn't get much better than this.
We fit just like a favorite pair of jeans.
We just keep coming back for more,
Like two kids in a candy store.
And now I know what everybody means when they say. Love love love is looking good,
Good good on you,

Can you feel it
Oh everybody sees it.
How your sweet smile has a way of,
Lighting up the room,
Yeah you shine like diamonds,
In everything you do.
Oh love love love is looking good,
Good good on you.I'm telling you mighty mighty good babe.Love love love is looking,
Good good good on you,
Love is looking good on you.Love love love is looking
Good good good on you
