

# This Wreckage

Gary Numan

And what if God's dead  
We must have done something wrong  
This dark facade ends  
We're independent from someone This wreckage I call me  
Would like to frame your voice  
This wreckage I call me  
Would like to meet you, meet you soon We write suggestions  
Suggesting fading to silence  
And that must please you  
My mirror's tarnished with 'No Help' This wreckage I call me  
Would like to frame your voice  
This wreckage I call me  
Would like to meet you, meet you soon O wakareyo Turn out these eyes  
Wipe off my face, erase me  
Replay 'The end'  
It's all just show, erase you I need to, I need to, I need to This wreckage I call me  
Would like to frame your voice  
This wreckage I call me  
Would like to leave you, leave you  
Leave you, leave you soon O wakareyo
