

Then He Kissed Me / Be My Baby

Rachel Sweet

Well, he walked up to me
And he asked me if I wanted to dance
He looked kind of nice
And so I said I might take a chance
When he danced he held me tight
When he walked me home that night
All the stars were shining bright
And then he kissed me

Each time I saw him
I couldn't wait to see him again
I wanted to let him know
That he was more than a friend
I didn't know just what to do
So I whispered "I love you"
He said that he loved me too
And then he kissed me

He kissed me in a way
That I've never been kissed before
He kissed me in a way
That I want to be kissed for evermore

So I said "Be my little baby"
Say you'll be my darling
Be my baby, yeah, woah, woah, woah, woah

The night we met I knew I needed you so
And if I had the chance
I'd never let you go
So won't you say you love me
I'll make you so proud of me
We'll make them turn their heads every place we go

So won't you, please, be my little baby
Say you'll be my darling
Be my baby, yeah, woah, woah, woah, woah

I'll make you happy baby
Just wait and see

For every kiss you give me, I'll give you three
Oh, since the day I saw you I have been waiting for you
You know I will adore you 'til eternity

So won't you, please, be my little baby
Say you'll be my darling
Be my baby, yeah, woah, woah, woah, woah

Be my little baby
Say you'll be my darling
Be my baby, yeah, woah, woah, woah, woah

Oh, won't you be my darling
Be my baby
Well, yo

Be my little baby
Say you'll be my darling
Be my baby, yeah

Oh baby
Oh darling
Be my little baby
Oh yeah, oh
