

Golden State

Eddie Vedder & Natalie Maines

You are the hole in my head
I am the pain in your neck
You are the lump in my throat
I am the aching in your heart
We are tangled
We are stolen
We are living where things are hidden
You are something in my eye
And I am
The shiver down your spine
You are
On the lick of my lips
And I am
On the tip of your tongue
We are tangled
We are stolen
We are buried up to our necks in sand
We are luck
We are fate
We are the feeling you get in the golden state
We are love
We are hate
We are the feeling I get when you walk away?
Walk away
Well you are the dream in my nightmare
I am that falling sensation
You are
not needles and pills
I am
Your hangover morning
We are tangled
We are stolen
We are living where things are hidden
We are luck
We are fate
We are the feeling you get in the golden state
We are love
We are hate
We are the feeling I get when you walk away
Walk away
Walk away
You are
The hole in my head

You are
The pain in your neck

You are
The lump in my throat

I am
The aching in your heart
