

My Curse (Live 2012) [Bonus Track]

Killswitch Engage

Yeah I watched you walk away
Hopeless with nothing to say
I strain my eyes
Hoping to see you again This is my curse
(The longing)
This is my curse
(To)
This is my curse
(The yearning)
This is my curse There is love burning to find you
Will you wait for me? Will you be there? Your silence haunts me
But still I hunger for you This is my curse
(The longing)
This is my curse
(To)
This is my curse
(The needing)
This is my curse There is love burning to find you
Will you wait for me? Still I want and still I ache
But still I wait to see you again Dying inside these walls
Dying inside these walls Can I see your face in these tears?
In these tears and I see your face There is love, there is love
There is love, there is love
There is love, there is love
There is love, there is love
