

# Rise Heart

## Victory Worship

...

Awake my soul

Rise heart in me

His death has paid the price for all

Redeemed creation from the fall

Rise heart in me

Awake my soul

Rise heart in me

His death has paid the price for all

Redeemed creation from the fall

Rise heart in me

Christ has risen

The chains of death are broken

I'm forgiven

By grace that's never ending

Christ has risen

All creation praise Him

Sing with the heavens

Glory to the King

Come Holy One

Breathe life in us

From every nation, every tongue

Endless praises will be sung

Breathe life in us

Christ has risen

The chains of death are broken

I'm forgiven

By grace that's never ending

Christ has risen

All creation praise Him

Sing with the heavens

Glory to the King

And we're singing out

At the top of our lungs

Holy, Holy is the Risen Son

And we're singing out

At the top of our lungs

Holy, Holy is the Risen Son

And we're singing out

At the top of our lungs  
Holy, Holy is the Risen Son  
And we're singing out  
At the top of our lungs  
Holy, Holy is the Risen Son  
And we're singing out  
At the top of our lungs  
Holy, Holy is the Risen Son  
And we're singing out  
At the top of our lungs  
Holy, Holy is the Risen Son  
Christ has risen  
The chains of death are broken  
I'm forgiven  
By grace that's never ending  
Christ has risen  
All creation praise Him  
Sing with the heavens  
Glory to the King
