

# Just My Luck

Donald Petrie

One, two, one, two, three, four  
You and I have got a lot in common  
We share all the same problems  
Luck, love and life aren't on our side  
I'm in the wrong place at the wrong time  
Always the last one in a long line  
Waiting for something to turn out right, right  
I'm starting to fall in love  
It's getting too much  
Not often that I slip up  
Well, it's just my luck, yeah yeah  
Rain clouds are gathering in numbers  
Just when I put away my jumper  
Luck and love still not on my side  
I still refuse to be a skeptic  
'Cause I know I could still correct this  
Maybe this will be my lucky night, night  
And I'm starting to fall in love  
It's getting too much  
It's not often that I slip up  
It's just my luck  
Just my luck  
Just my luck  
Just my luck now  
Yeah, you know it's just my luck  
Just my luck  
Just my luck  
Just my luck now  
Something will turn out right  
Just my luck  
Just my luck  
Just my luck, waiting for something  
I'm waiting for something to turn out right, yeah  
I'm starting to fall in love  
It's getting too much  
It's not often that I slip up  
It's just my luck, it's just my luck, luck
