

Extraordinary Thing

[k.d. lang](#)

My ordinary days
Are spent inside the maze
Of never changing ways
Such ordinary days
My ordinary spin
Showed itself again
It never seems to end
Then you came waltzing in
Waltzing in
I'm falling...
I'm falling in
I never knew
The likes of youExtraordinary thing
I do believe
You are indeed, an extraordinary thing
My ordinary game
Predictable and plain
Has never been the same
Since you came waltzing
Waltzing in
I'm falling...
