

Do You

Portugal. The Man

Do you understand the people that we are
Do you believe right from the start
Do you see that everybody needs
Do you feel when you're burning in that hell
Yeah, we can make it here

Did you find your fear?
Did you find your fear?
Did you find your fear?
Did you find your fear?

Do you fear the marching of the lamb
Do you believe there is loyalty in man
Do you see when others turn away
Do you hear it swimming in that head
Yeah, we can make it here

Did you find your fear?
Did you find your fear?
Did you find your fear?
Did you find your fear?

He came down from the moon and rained down on all of us
Rained down on all of us and everyone was saved
He fell into the sea just to swim around
Just to feel the clouds on the way down
And everyone was saved
And everyone was saved
And everyone was saved

Did you find your fear?
Did you find your fear?
Did you find your fear?
Did you find your fear?
