

Ice Cream

Muscles

Wooooo0000

Aaaaaaaah (x 8) There are people who are pushing me on the train
Screaming from the top of buildings

"youre gonna get whats coming"

And i dont know how to react

Or if i should fight back He could have a knife

Stab me in the gut

Bleeding on the floor

Shoulda kept my mouth shut And i dont know how to react

Or if i should fight back

(ice cream is gonna save the day) Ice cream is gonna save the day

Ice cream is gonna save the day, again (x2) I dont need a number

I just wanna dance with my shirt off

And i dont want no other

I just wanna dance He could have a knife

Stab me in the gut

Bleeding on the floor

Shoulda kept my mouth shut And i dont know how to react

Or if i should fight back Wooooo0000

Aaaaaaaah (x 4) Ice cream is gonna save the day

Ice cream is gonna save the day, again (x 4)

I dont need a number

I just wanna dance with my shirt off

And i dont want no other

I just wanna dance (x 4)
