Let It Be Love

Perry Como

If time changes everything but one, maybe,
let it be love (let it be love!) let it be love (let it be love!)
And if we cherish anything that we've done, baby,
let it be love (let it be love!) let it be love (ooh, ooh, ooh!)And if we're ever left with just one thing to say,
if all we possess is just one thing someday
If I ever take a thing from you, baby,
let it be love (let it be love!) let it be love (ooh, ooh, ooh!)And if we're ever left with just one thing to say,
if all we possess is just one thing someday
If I ever take a thing from you, baby,
let it be love (let it be love!) let it be love.Words and Music by Ben Peters
