

Politik Kills

Manu Chao

Politik kills politik kills politik kills
politik kills politik kills politik kills
politik kills politik kills politik kills
politik need votes
politik needs your mind
politik needs human beings
politik need lies that's why my friend is an evidence politik is violence
why my friend is a evidence politik is violence politik kills politik kills politik kills
politik kills politik kills politik kills politik use drugs
politik use bombs
politik need torpedoes
politik needs blood
that's why my friend is an evidence politik is violence
why my friend it's a evidence politik is violence politik need force politik need cries
politik need ignorance politik need lies politik kills politik kills politik kills
politik kills politik kills politik kills
politik kills politik kills politik kills politik kills politik kills
politik kills politik kills politik need force politik need cries
politik need ignorance politik need lies politik need force politik need cries
politik need ignorance politik need lies politik kills politik kills
politik kills politik kills
